WORK EXPERIENCE

2022-CURRENT
(full time)

BUZZY SEEDS: PACKAGING DESIGNER

Work with the design team to create original packaging for grow-your-own kits to be sold in stores like Target, Walmart, CVS, Walgreens, etc. Create mood boards with trends in mind, presentations, renderings of products, and participate in product development and brand meetings with the vision for the company in mind. Once selections have been made by clients, make files print-ready and send to production.

2015-CURRENT
(part time)

THE RESTORATION PROJECT: WORSHIP + THE ARTS COORDINATOR

Work with other staff in order to decide what art and media will be effective, helpful, or meaningful for people in our community. Create content and manage social media outlets, including video/photo shoots and editing, making graphics for upcoming sermon series and events, and assisting and participating in podcast recording. Also responsible for helping set up and tear down on Sundays, planning events, and facilitating so things run smoothly.

2020-CURRENT
(very part time)

THE BIBLE FOR NORMAL PEOPLE: GRAPHIC DESIGNER + ILLUSTRATOR

Filmed and edited classes at the beginning of my role, then switched to a more graphics-heavy position, creating art and slides for classes, fundraisers, and social media posts. Created book covers for the "For Normal People" series of books. Currently working on a series of illustrations to be included in a progressive-minded children's bible.

2015-CURRENT

MMMAY CREATIVE (FREELANCE)

Taken on clients for family + wedding photography and/or videography, birth photography + videography, logo design, and merch design. Created commissioned pieces including portraits, pet portraits, typography, and various other fine art pieces.

2016-2020

NANNY

Trusted with the honor of caring for 2 kids (ages 6 months and 2 years at the start of the job).

EDUCATION

2011 AA General Studies from Montgomery College

2015 Bachelor of Fine Arts from Salisbury University in the Graphic Design program
*won best installation in senior show
